

Here is our first Newsletter!

Although we meet regularly and share all updates by e-mails, on our website, and social media, throughout the action we will also keep you informed by two or three Newsletters per year. We will keep them brief and easy to follow!

In this first one, we include some numbers of Grant Period One (GP1) and remind you about next events.

We hope you enjoy it!

GP1 in Numbers

132

ADVANCE-TB project form

In response to requests from some members, the Project Form is now available for all Advance members.

If you or your Working Group have a project in mind, please share with us!

<https://forms.office.com/e/dM81GkdbdKh>

Next events

March 4th and 5th - Workshop - Riga, Latvia.
To be confirmed.

May 22nd and 23rd - Workshop: Defeating tuberculosis: challenges, breakthroughs and lessons learnt from projects including clinical research - Barcelona, Spain.

June 10th and 11th - Annual Meeting - Ljubljana, Slovenia.

For more details, visit the [News & Events](#) section on our website.

! Don't miss!

The 2nd round for Grant Applications is now open!

The round opened January 1st and will close on January 31st, 2024.

Grants

Dissemination conference

Oral presentation by an Action Participant of the work of the Action in high-level conferences fully organized by a third party.

ITC conference

Presentation of the own work given by a Young Researcher and Innovator affiliated with an Inclusiveness Target Country / Near Neighbour Country for their participation in high-level conferences fully organized by a third party.

Short-Term Scientific Mission

Visit to a host organization located in a different country than the country of affiliation by a researcher or innovator for specific work to be carried out and for a determined period of time.

Virtual Mobility

Collaboration in a virtual setting among researchers or innovators within the COST Action, to exchange knowledge, learn new techniques, etc.

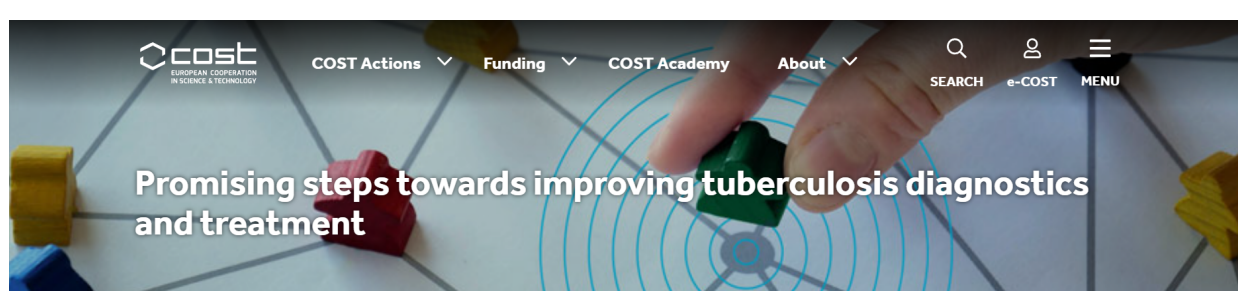

Grants awarded during GP1:

4 Short-Term Scientific Missions

1 Dissemination Conference

1 Virtual Mobility

On November 2023, the COST Association released an article about our Action.

We invite you to read the [full article](#).
